

Malaysia and India strengthened bilateral cooperation in artificial intelligence at the Malaysia–India Conclave on Trusted and Responsible AI, held on 21 January 2026 at MITEC, Kuala Lumpur.

Organised by the High Commission of India with the National AI Office Malaysia as strategic partner, the conclave brought together government representatives, industry leaders and technical experts to advance collaboration in AI governance, safety, talent development and real-world applications.

MIBC was pleased to participate as an industry partner, supporting efforts under the Malaysia–India Digital Council to promote trusted, responsible and impactful AI collaboration. The conclave was also recognised as a pre-official session to the AI Impact Summit 2026 in New Delhi.
